March 782 BMW F2

March 782 BMW Formula 2

We are pleased to offer this iconic March 782 BMW M12 Formula 2 car for sale. Chassis 782-22 was delivered new to Swiss March importer Markus Hotz and competed in the 1978 Formula 2 Championship driven by Peter Scharmann, Markus Hotz and Helmut Bross. The ownership trail of 782-22 is fully documented and stands today in perfect order after a complete over haul by Lee Chapman Racing.

In recent years the car has been very competitive and driven by the likes of Brian Redman, Marc Surer and Davina Galica. An excellent opportunity to acquire a top flight March 782 BMW Formula 2 car that is capable of winning the HSCC European Historic F2 Championship. FIA HTP
