1951 Jaguar XK120 OTS RHD

£48,000.

1951 Jaguar XK120 OTS RHD

Early production / original RHD
Matching numbers
Rebuilt Sigma Engine
Significant maintenance file
Heritage Certificate
Location: Isle of Man

Upgrades:
12 volt alternator conversion.
Kenlowe cooling fan
Electronic ignition
New Pirelli Cinturato Tyres

Purchased from a 32 year family ownership, now available once again for sale.

The Jaguar Heritage Certificate shows that she was built in 1951 and exported to New York. Imported back to the UK in 1988, an original RHD car and a matching numbers example.

She is mechanically very sound which is the result of annual professional servicing by XK specialists. The 3.4 engine was rebuilt by Sigma Engineering 10 years and some 12000 miles ago. Weather equipment includes the original OTS roof (not fitted) and a tonneau cover.

The car was restored in the 1980's and stands today, aged, rust free and in an elegantly shabby state. In recent times the car has toured both the UK and Europe and has enjoyed many rallies.

Recently fully serviced, this early XK 120 OTS is ready to give a new owner much driving pleasure and if desired, improved upon.

Please note, the car is UK registered and currently located in the Isle of Man.

£48000.
